Hon. Jacob S. Glickenhauz,
Superior Court Justice
Hall of Records
Newark, N. J.

Dear Judge Glickenhauz:

I am distressed, and terribly embarrassed! The last time I saw you was the day I offered excuses in an effort to be relieved of Grand Jury duty because of an extended business trip to which I was committed. Last night, a court officer served upon me a Summons to appear for jury duty on May 2nd, and he, Officer Gant, was able to see the predicament I am in.

Just four weeks ago I broke a bone and pulled a ligament in my ankle, and have been in a full cast until just yesterday. Swelling and pain caused my doctor to remove the cast and rely upon binding for the balance of the healing period. I am on crutches and have been away from my office for the full time, with little hope of returning for at least another two weeks' stint. I am asking my doctor, Dr. Eleby Washington, orthopedist and protégé of Dr. Henry Kessler, to send you a certificate as to my condition.

If this aggravating condition were not enough, I am now worrying about getting to Michigan State University on May 15th where, at a national Police and Community Relations Institute I am being called upon to serve in three major roles during the full week of work and study. This is an annual institute attracting nearly 400 police officers and civilian leaders from all sections of the country, and my specific assignment with the National Conference of Christians and Jews national office, is to head up this phase of our program, hence the prominence of my Institute assignments.

Having reached the ripe old age of 70, on July 1st of this year, I am retiring from NCCJ and other professional commitments. This means too, that between now and June 15th, I shall have the sad task of clearing out my effects, helping in the orientation of my successor, and tidying up the ship, so to speak. Is not this a rather formidable outlook for the next six weeks?

I know I shall not be off my crutches by May 2nd, but if it is necessary, I shall find some way to make appearance at the Hall of Records, hoping that there is some way in other than trying to negotiate those terrible front steps. Thanking you for indulging this privilege I am

Yours,
